

GULF KIDS GARDEN 2015 DATE CLAIMERS

27-28th May, FNQ Field Days

Come and see us at the FNQ Field Days in Mareeba! Northern Gulf Resource Management Group is joining forces with Cape York NRM, Terrain and Mitchell River Watershed Management Group in the monster Natural Resource Management (NRM) Tent, find out about NRM and what's happening in our region. We'll also be a part of the Innovation Education and Future Farming huge marquee! This will be all about careers on the 27th May and industry on the 28th. See you there at Kerribee Park, Mareeba. visit www.fnqfielddays.org.au for more details.

4-8th July, Youth in Sustainable Ag Camp, Mt Molloy

The Youth in Sustainable Ag Camp (YISAC) will focus on innovative agriculture and career opportunities for Yr 10-12 students from the Northern Gulf Region considering careers in agriculture and natural resource management. The Camp will be held at Wetherby Station and will include hands on sessions on innovations in sustainable agriculture, a tour across the Tablelands, Jungle Surfing in the Daintree, and a 'grabbing opportunities' session covering courses, scholarships, work experience opportunities and meeting with mentors. Keep an eye on our website for details and application forms www.northerngulf.com.au/big-futures Contact: Erica Blumson 0488 499 266 education@northerngulf.com.au

28th August Gulf Kids Environment Day, Croydon Rodeo Grounds

Gulf Kids Environment Day will be back in 2015 this time at the Croydon Rodeo Grounds with an 'Edge of Extinction' theme. Expect to find out about threatened plant and animal species and maybe even have a dinosaur encounter! www.northerngulf.com.au/big-futures Contact: Erica Blumson 0488 499 266 education@northerngulf.com.au

September (28 Sept – 2nd Oct) Camp Cobbold, Cobbold Gorge

Northern Gulf will be back at Camp Cobbold again in 2015 with action packed biodiversity sessions. To keep up to date with this year's Camp and to see some great pics from last year follow the Camp Cobbold facebook page <https://www.facebook.com/pages/Camp-Cobbold>

New to check out:

Northern Gulf Resource Management Group has a new website which includes a **Big Futures** section dedicated to youth www.northerngulf.com.au/big-futures these pages will keep you updated on the events above as well as competitions, info on grants and resources.

Gulf Youth in AG facebook page – The Gulf Youth in AG (GYIA) facebook page is for youth (15-18yrs) interested in careers in agriculture and natural resource management. GYIA has regular posts on courses, scholarship opportunities, career days, utube clips, links to camps at Ag Colleges and Universities offering sustainable ag courses and some exciting competitions coming up in 2015. www.facebook.com/gulfyouthinag

Get into the Garden has amalgamated for a few special weeks with the Formidable Vegetable Sound System to form the **Grow Do It Tour** of schools in the Region! To see the success of last years Get into the Garden program visit www.northerngulf.com.au/project/73 to see more about the music of the Formidable Vegetable Sound System www.formidablevegetable.com.au If you'd like the Grow Do It Tour to hit your school for a ½ or full day of music expression and garden activity contact Education Officer, Erica Blumson 0488 499 266 education@northerngulf.com.au
